**Bernstein Creation Rubric**

	Developing (DP)	Close (CP)	Proficient (PR)	Highly Proficient (HP)
Drawing an appropriate item from the panel to symbolize the change or culture	Inappropriate item	Item is appropriate, but not drawn carefully in center	Appropriate item, drawn and painted carefully	Appropriate item that is drawn and painted in a masterful way
Colors represent the palette of the original artwork panel	Most or all colors do not represent the original	Most colors represent the original piece, but 1-3 may not match	All colors match the original piece	All colors match the original piece and are thoughtfully placed on the creation
Shapes of the shattered pieces work around the object drawn in the middle	Shattered pieces are drawn in a thoughtless manner, maybe even not straight lines	Shattered pieces are in straight lines, but may be drawn in a careless way in a couple of spots	All shattered pieces are straight lines and drawn thoughtfully	All shattered pieces are drawn in a visually creative way
Overall presentation	Drawing and painting show rushing and carelessness	Drawing and painting mostly display careful work, with a couple of spots needing attention	All drawing and painting is done in a way showing thoughtfulness and effort	All drawing and painting show maximum creativity and effort
